DIRECTORS' REPORT

The directors, who are the charity's trustees, submit their report and the financial statements of The Church of Jesus Christ of Latter-Day Saints (Welfare) and subsidiary undertakings for the year ended 31 December 1000

LEGAL AND ADMINISTRATIVE INFORMATION

The Church of Jesus Christ of Latter-Day Saints (Welfare) is a registered charity which has been incorporated as a private unlimited company. The charity is governed by its Memorandum and Articles of Association.

OBJECTS, PRINCIPAL ACTIVITIES AND REVIEW OF THE YEAR

The objects of the charity, its principal activities and a review of the year are given in the Trustees' Report on pages 25 and 26 of the financial statements.

On 1 January 1999, the trading activities representing the distribution of religious, educational, administrative materials and film rental, which were previously operated by the company, were transferred to a fellow subsidiary company. The Church of Jesus Christ of Latter-Day Saints (Administration).

RESULTS

The deficit of the group for the year was £416,000 (1998 - surplus £247,000) after receiving a donation of £Nii (1998 - £2,141,000) from its parent company, the Corporation of the President of the Church of Jesus Christ of Later-Day Saints.

The directors do not recommend the payment of a dividend, which leaves a deficit for the year of £416,000 to be transferred to reserves.

Assurances of continued financial support have been received from the Corporation of the President of the Church of Jesus Christ of Latter-Day Saints.

DIRECTORS AND THEIR INTERESTS

The directors who served during the year were:-

A K Broadway

R J Mawle

B D Jacox

(resigned 6 October 1999)

K F Keeler B P Jensen

(resigned 6 October 1999)

B Calsen

(appointed 6 October 1999)

R J Mawle and B Calsen retire by rotation and, being eligible, offer themselves for re-election.

DIRECTORS' INTERESTS IN SHARES

None of the directors had, at any time during the year, a beneficial interest in the share capital of the company or its subsidiary undertakings.

INTRODUCTION OF THE EURO

The directors believe the introduction of the Euro will have no significant impact on the group's activities.

DIRECTORS' REPORT

AUDITORS

A resolution to reappoint Baker Tilly, Chartered Accountants, as auditors will be put to the members at the annual general meeting.

By order of the board

A K Broadway
Secretary

2 March 2001

DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

Company law requires directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the company and the group for that period. In preparing those financial statements, directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- d. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company and the group will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and the group and to enable them to ensure that the financial statements comply with the requirements of the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT TO THE MEMBERS OF THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS (WELFARE) & SUBSUBARY LINDERTAKINGS

We have audited the financial statements on pages 6 to 24 which have been prepared under the historical cost convention

Respective responsibilities of directors and auditors

As described on page 4, the company's directors, who also act as the trustees for the charitable activities of the Church of Jesus Christ of Latter-Day Saints (Welfare), are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charitable company's circumstances, consistently amplied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the charitable company and its subsidiaries at 31 December 1999 and of its incoming resources and application of resources, including its income and expenditure, in the year then ended and have been properly prepared in accordance with the Companies Act 1985.

ACCOUNTING POLICIES

BASIS OF ACCOUNTING

These financial statements have been prepared in accordance with the Charities (Accounts and Reports) Regulations 1995, the Statement of Recommended Practice "Accounting by Charities", applicable accounting standards and under the historical cost convention.

The following accounting policies have been applied consistently in dealing with items which are considered material to the financial statements.

BASIS OF CONSOLIDATION

The consolidated financial statements incorporate those of The Church of Jesus Christ of Latter-Day Saints (Walfare) and all of its subsidiary undertakings for the year. All financial statements are prepared to 31 December 1999. The consolidation has been prepared using the acquisition method of accounting.

INCOMING RESOURCES

Cost of constructing new buildings on behalf of The Church of Jesus Christ of Latter-Day Saints (Great Britain) are recharged at each year end on the basis of total construction costs incurred to date.

RESOURCES EXPENDED

Direct charitable expenditure comprises expenditure directly relating to the objects of the charity. Costs are either specifically identified or apportioned on an appropriate basis between direct charitable expenditure and management and administration of the charity. Expenditure is recognised on an accruals basis.

TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided on all tangible fixed assets other than freehold land at rates calculated to write each asset down to its estimated residual value over its expected useful life, as follows:-

Farm houses	over 40 years
Farm buildings and amenities	over 5 to 20 years
Fixtures and fittings	over 5 to 10 years
Plant and machinery	over 5 to 10 years
Motor vehicles	over 3 to 10 years

GOODWILL.

Goodwill arising on acquisition representing the excess of the purchase price compared with the fair value of assets acquired is capitalised and written off over 10 years as in the opinion of the directors this represents the period over which the goodwill is effective.

FIXED ASSET INVESTMENTS

Fixed asset investments are stated at cost. Provision is made for any permanent diminution in value.

ACCOUNTING POLICIES

STOCKS

Stocks and cultivations are valued at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less further costs expected to be incurred to completion and disposal. Provision is made for obsolete and slow-moving items. Costs include all direct costs and an appropriate proportion of fixed and variable overheads.

OPERATING LEASES

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to the statement of financial activities on a straight line basis over the lease term.

FOREIGN CURRENCY TRANSLATIONS

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date.

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the statement of financial activities.

DEFERRED TAXATION

Provision is made for taxation deferred or accelerated by the effect of timing differences to the extent that it is probable that a liability will crystallise at the rate expected to be ruling at that date.

PENSION CONTRIBUTIONS

The costs of providing pensions for employees are charged to the statement of financial activities over the average working life of employees in accordance with the recommendations of qualified actuaries. Any funding surplus or deficit which may arise from time to time is amortised over the average working life of employees.

PARENT COMPANY DONATIONS

Periodically, donations are received from the company's parent company, the Corporation of the President of the Church of Jesus Christ of Latter-Day Saints, to provide funds for the company's charitable activities and to ensure that the company has adequate reserves. These donations may be received by way of cash or partial cancellation of amounts due to the parent company. These donations are separately disclosed in the statement of financial activities.

AREA AID INCOME

Area aid income is recognised in the statement of financial activities when the underlying crops are sold. Setaside income is recognised on a receipts basis.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 1999

I NET INCOME OF TRADING ACTIVITIES OF SUBSIDIARIES

The charity has three subsidiaries which are incorporated in England and Wales. All companies operate farms. Audited accounts have been filed with the Registrar of Companies which show the following results;

	Farmspeed (Southery Anchor) Limited £'000	Hallsworth (Farmland Trust) Limited £'000	AgReserves Limited £'000	1999 Total £'000	1998 Total £'000

18 PENSION COMMITMENTS

The group contributes to a defined benefit pension scheme operated on behalf of the UK entities of the Church of Jesus Christ of Latter-Day Saints, and whose assets are held in independent trustee administered funds. Contributions are determined by a qualified actuary on the basis of triennial valuations using the projected unit method, the most recent valuation being at 31 December 1998. The assumptions which have the most significant effect on the results of the valuation are the rate at which current salaries and pensions will increase and the return the scheme will earn on its assets.

It was assumed for the 1998 valuation that salaries would increase by 4% and the investment returns would be 5.75% per annum, and that present and future pensions would increase at the rate of 2.5% per annum for benefits in excess of the GMP. The actuarial valuation of the scheme's assets at 31 December 1998 was £11.418.099 and was estimated to cover 97% of the scheme's liabilities at that date.

From 1 January 2000 the contribution rates of the employer and employees were raised to 12.5% and 5.3% respectively.

The pension charge for the year was £72,000 (1998 - £139,000), which included allowance for the amortisation of expected deficits. These are being recognised over 12 years, the average remaining service lives of employees.

Baker Tilly

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 1999

19 RELATED PARTY TRANSACTIONS AND ULTIMATE HOLDING COMPANY

The company is owned jointly by the Corporation of the President of the Church of Jesus Christ of Latter-Day Saints and the Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter-Day Saints, both entities incorporated in the state of Utah. United States of America.

Details of the loan account with the Corporation of the President of the Church of Jesus Christ of Latter-Day Saints are included in note 12. Assurances of continued financial support have been received from the Corporation of the President of the Church of Jesus Christ of Latter-Day Saints.

During the year the company contracted with another fellow subsidiary, The Church of Jesus Christ of Latter-Day Saints (Great Britain) to carry out construction of church buildings on its behalf. The value of this work in the year was £3.225.000 (1998 - £14.042.000).

Farm Management Company, the Church's agricultural division in the United States, acts in an advisory capacity to AgReserves Limited, Hallsworth (Farmland Trust) Limited and Farmspeed (Southery Anchor) Limited. During the year management fees of £48,000 (1998 - £45,000) were paid by the group to the Farm Management Company and the balance due to it at 31 December 1999 was £Nit (1998 - £nit).

20 CAPITAL COMMITMENTS

At 31 December 1999 the group had capital commitments as follows:

	1999 £'000	1998 £'000
Contracted for but not provided in these accounts	243	109

TRUSTEES' REPORT

OBJECTS AND PRINCIPAL ACTIVITIES

The objects of the charity are:-

- to promote and further the religious and other charitable work of The Church of Jesus Christ of Latter-Day Saints in the United Kingdom and elsewhere and;
- to relieve members of the Church and other persons who are in conditions of need, hardship, sickness or distress.

To achieve the above the charity:-

- invests in farms which it rents out to its subsidiary companies (AgReserves Limited, Hallsworth (FarmlandTrust) Limited and Farmspeed (Southery Anchor) Limited) which then operate the farms on a commercial basis. Any profits earned from these operations are returned to the charity under covenant and are applied by the charity in furtherance of the objectives;
- acquires land and builds purpose build meeting houses, for a fellow subsidiary, in which members
 of the Church and the public can meet for religious worship and instruction;
- 3) assists individuals suffering through hardship, sickness and distress as needed.

From the above it can be deduced that the principal income sources of the charity are the rents received from the farms operated by its subsidiaries and any profits earned by those farming subsidiary companies. Our farming subsidiaries achieve their results whilst following guidelines laid down by the Church in the following mission statement:-

"We recognise that the land we have been entrusted to manage is a most important resource, that our customers have their own special needs, and that scientific establishments are our partners, and that our employees are one of our most valuable assets.

In all things we acknowledge the goodness in others. We recognise that we have a stewardship for the land for future generations. We need to be honest in our dealings with customers, employees and all with whom we transact business.

To accomplish our mission we empower our employees with the management structure, training and resources to grow the right crops in the right locations using the latest and most efficient farming technology."

TRUSTEES' REPORT

REVIEW OF THE YEAR

After the significant changes in the activities of the group in the last three years, 1999 was primarily a year of consolidation and laying the groundwork of the next phase of growth. This task was more demanding than envisaged because of the increasingly difficult conditions provailing in the farming industry. In the circumstances the overall financial results from our farms are satisfactory. The additional investment that been made this year will prove beneficial when there is an upturn in the fortunes of the UK farming industry.

When farmland close to our existing farms becomes available at reasonable prices, we review the opportunity this presents to see if this will improve the economics of our existing holding. One such small opportunity arose in 1999 when we purchased College Farm Haddenham Nr Cambridge. However, during the year significant investment was made in extending our grain and potato storage facilities which we anticipate will be of considerable value in future years.

With the completion of the Preston Temple in 1998 construction activity for our sister charity The Church of Jesus Christ of Latter-Day Saints (Great Britan) was at a greatly reduced rate in 1999. Nevertheless we were able to acquire five sites on which meeting houses will be built for the Church as soon as we have the necessary permissions. This will be tikely to lead to a significant increase in activity in the next two years in this nart of our operations.

Primarily as a consequence of the lower returns on our farm investments but also because we increased our welfare aid particularly in the area of humanitarian assistance we had to draw on our reserves to fund the excess of expenditure over income for the year. As stated in our last report, it is our goal to have a year's funds on hand at all times so that we can continue to provide assistance to those in need even when our current level of income may be insufficient. At the end of 1999 the charity had a one year's supply of funds when compared to our welfare payments for the year.

1999 was particularly significant for the increased assistance that we are able to give to humanitarian causes. We donated funds towards a literacy programme in Haiti, provided blankets for the Red Cross flood relief in the Ukraine and made a contribution to the Salvation Army for their refuge shelter programme. We look forward to being of service to an even greater degree in future years to other needy causes.

To date we have only been able to utilise volunteers in our activities where they had specific knowledge that benefitted our farming investments. These volunteers have been provided almost entirely by our parent organisation and the thousands of hours they have donated have been a material factor in bringing us to our current state. Opportunities now exist for local volunteers to participate in our charitable activities and we will be able to report on this in our next year's report.
